

## Christmas Picture Winners 2021

Thank you very much to everyone who entered the Christmas Picture Competition. The judges had difficult decisions to make, and chose the two pictures shown here, both for their striking imagery, their originality and humour.

Winner of the Adult's Category (left) is Chris Benbow, with her picture "Brian at Christmas" (the distinctively shaped pine tree on the road just outside Guilsborough towards Hollowell).

Winner of the Children's Category is Eleanor Clarke (aged 7) who sent in her colourful collage of Father Christmas with his sleigh and reindeer.

The well deserved runners-up; Mary Fowler, Sophie Caldwell, Oscar Wilson and Lucas Gibson, are all shown on the back page.

## A NEW WALL FOR ST DENYS CHURCH

Here in Cold Ashby, we are delighted that after a huge team effort by so many, the new wall in St Denys' churchyard is finally complete and is looking fabulous. Work began on rebuilding the wall back in August and after four weeks of work by various craftsmen the wall now stands proud and safe in our churchyard.

At a cost of nearly £17,000 we are thankful to many benefactors who helped to make the rebuild possible. The whole process took well over a year from start to finish and various grants were applied for and were sometimes refused. But with sheer determination, The Friends of St Denys Church managed to secure the funding needed thanks in part to grants from Northamptonshire Community Foundation, The Northamptonshire Historic Churches Trust, The John Warren Foundation and Cold Ashby Parish Council.

Other private benefactors also contributed and include Alice Morgan, the sister of Billy Lee who lived in the village, who kindly left a legacy to St Denys' Church. A commemoration plaque will be built in the wall to her memory.

In order for the work to take place, permission had to be sought from The Diocese of Peterborough and Daventry District Council and the services of an archaeologist had to be employed in case anything unusual was dug up during the excavation of the old wall.

Now that the wall is complete, the garden that surrounds it has been replanted. The new planting really complements the stonework and together we hope that they both stand safe, strong and tall for centuries to come.

## Creaton WI

We have been very much enjoying the return to our regular monthly meetings, seeing each other "face-to-face".

December 8<sup>th</sup> will be our Christmas party and in January we plan to meet on Zoom once again, as that will be easier for everyone during the worst of the winter months.

Please do join us in December at 7.30 p.m. in the United Reform Church. Telephone President, Daphne Clark, 505546, or email [wicreaton@gmail.com](mailto:wicreaton@gmail.com) for more information about these events and our New Year Zoom meetings.

in the URC, Creaton High Street. No previous experience necessary, just a willingness to join in and have fun singing together.

## FOSM History Group

Come and join us for a fascinating talk and in good company at St Michael's and All Angels Church, Creaton at 7.30pm.

## Creaton Walking Group

Living in and around Creaton means we are very blessed with many beautiful footpaths, often by water.

The Creaton Walking group in October walked from Brixworth to the reservoir and then westwards along the shores to Scaldwell before looping back via Hanging Houghton. The sun shone and the countryside was at its best. The group were joined by visitors from near the New Forest and from Snowdonia who commented on our stunning scenery and lovely walks!

The November walk explored the footpaths around South Kilworth which again has beautiful Stanford reservoir on its doorstep.

If you enjoy walking and can manage a 3 hour / 8 mile walk off road then come and join this friendly group. Well-behaved dogs welcome. We walk on the second Saturday of the month at 10am, meeting at Creaton lychgate. We also walk on New Year's Day at 11am.

Next walks are on:

Saturday 11 December 10am

Saturday 1 January 11am

Saturday 8 January 10am

## Creaton Singers

The Creaton Singers are delighted to be back together in person, albeit with some precautionary measures in place, and have been especially pleased to welcome new singers. They have been practicing hard for Christmas and have a wide range of new and old carols and songs to entertain you.

The Creaton Singers are very pleased to have been invited to sing at Cottesbrooke church on Sunday 19<sup>th</sup> December at 3pm and would love you to come along and support them.

Also, on Tuesday 21<sup>st</sup> December the Singers are thrilled to once again be able to put on their annual Christmas concert in Creaton, starting with carols round the tree on the Green at 7pm, carolling through the village to the village hall for a concert at 7:30pm. As usual, the concert is free with a voluntary collection for charity which this year is Macmillan Cancer Support. It will be so lovely to see everyone again.

Anyone interested in joining the Creaton Singers should contact Jane on 07879604029. We meet on Tuesdays at 7:30pm until 9pm

## Over The Counter

How quickly the seasons come and go. By the time you are reading this, Diwali, Halloween and Bonfire Night will all be a distant memory, albeit a memory full of light and sound. Creaton Village Shop, always a place for wizard food, did its bit with scary ice cream and what seemed like a pumpkin for every customer. However, we look forward and although you have now missed the wine-tasting that was held in November - it was a great success, thank you for asking, and provided some fabulous ideas for gifts for Christmas and for celebratory consumption - the Shop is here to help you plan, and order, your festive fare. Shopping local not only helps fight climate change, it also avoids the supermarket queues and that last minute rush. You can order your meat, vegetables and indeed all your Christmas food from the Shop. In particular, orders for turkey crowns (rolled breasts, with or without bacon) are now being taken but unfortunately not for whole birds. Simon Robinson, part of the original team behind the community shop and the person responsible for getting the products on the shelves, is stepping back from the role of Operations Manager, a voluntary role he has carried out since the shop opened. His experience and expertise was a significant part of the jigsaw when the idea of a community shop was first mooted. However, a new chapter starts as a Shop Manager, a paid role, is now being sought.

This post will cover operations and continue to promote the customer-friendly, efficient side of the shop. Finally, but by no means least, the volunteers are amazing but there are not enough of them! The Shop is open 7:30am to 6pm during the week and 8am to 12noon at the weekend. To support this, there needs to be over 80 hours a week of volunteer time. This is usually in 2-hour blocks, so not onerous, and need not necessarily be at the same time each week. Please see what time you can offer, and ask at the Shop for more details.

## Creaton Parish Council Contact Details

**Parish Clerk:** Regrettably, Katrina Jones has left the council to take up a position as Clerk to Brixworth Parish Council. We wish her every success and good luck in her new, enlarged role. Katrina has been an invaluable member of our team since she joined us in January 2017, and we thank her for her support and hard work over the last nearly five years.

Whilst we recruit a replacement clerk, you can contact Creaton Parish Council by email at [creatonpc@gmail.com](mailto:creatonpc@gmail.com) or by telephone on 07795 412321.

Agendas and minutes of meetings are available on the village website [www.creaton.org.uk](http://www.creaton.org.uk)

The parish council also has a facebook page.

Meetings are held bi-monthly. Please check the parish council website for details of future meetings and agendas.

## Parish Council Meeting dates

Meetings will continue to be held on the second Tuesday of the month (bi-monthly) at 7.30pm. The date of our next meeting is 11<sup>th</sup> January 2022 in the Village Hall. Details are subject to change depending on government public health guidance.

## Queen's Platinum Jubilee

In February the Queen will have been on the throne for 70 years. The Parish Council have decided to mark and celebrate the

occasion by planting a tree in Her Majesty's honour.

We are currently working on which species will be planted, but the location selected is The Green, alongside a number of other trees planted to mark

historic moments in our past, including The World Wars.

## Planning Applications

Please visit the Daventry section of the West Northamptonshire Council website for full details of all Planning Applications. [www.westnorthants.gov.uk](http://www.westnorthants.gov.uk)

## Christmas Tree

Thank you to Welford Christmas Tree Farm for once again supplying the wonderful Christmas Tree on The Green.

## Parish Council Vacancies

**Clerk, RFO and Burials Officer:** We have a part time vacancy (10 hours per week) for the position of Clerk, Responsible Financial Officer and Burials Clerk (single position). A full specification is available on our website, facebook page or through the contact details below. **Applications by 14<sup>th</sup> December please** addressed to James Hill, [jameshillcpc@gmail.com](mailto:jameshillcpc@gmail.com), Grooms House, Grooms Lane, Creaton, NN6 8NN or call 07795 412321 to discuss any queries.

## Parish Councillors

The council currently has two vacant seats for Councillors. If you can give 1-2 hours of your time a month to help make decisions about how various matters in Creaton are managed and funded then please make contact.

As a Parish Council we have the ability to make change or influence outcomes in our community.

Contact us for more information about what is involved, the day to day tasks and projects we have in mind for 2022.

**In the meantime we wish you a merry Christmas and happy New Year!**

## PARISH COUNCIL NEWS

### Neighbourhood Development Plan

With Guilsborough's Neighbourhood Development Plan (GNDP) being completed in January 2019 but started almost 6 years ago, we now need to keep it updated. This is normal practice anyway, just to ensure it remains fit for purpose, but with the formation of the two Unitary Councils for Northamptonshire we need to amend some of the references. Despite all of the changes being minor we still have to hold a public consultation which will run until 7th January 2022. We have produced a consultation document which is available from our website, [Guilsboroughpc.org.uk](http://Guilsboroughpc.org.uk), or printed versions are available by request from our Clerk, Carol Hollifield, on 01788 824425. Please do take the time to complete the questionnaire if you're a Guilsborough Parishioner.

### Fundraising Committee

The newly formed committee to raise funds for the playground development held their first meeting early in November. If you would like to be involved, please contact the PC Chairman (07917 101008) who will forward your details on.

### Bus Service

We have been advised that if the 59/60 bus service is to continue beyond March '22 it is very likely we will need to subsidise it again, as we have been doing over recent years. We have agreed a subsidy of no more than last year.

### Phone Box Book Swap

Our book swap has now moved to it's permanent location in the now completely renovated phone box. Please do make good use of it; we're hoping it will continue to offer good books for you to enjoy and pass on to others. Our thanks go to Cllr Ian Miller, David Manning and Richard Franklin for all your hard work!

Lastly, we wish you all a very festive Christmas time.

See page 19 for Guilsborough Music and Drama Society's most recent news.

## CHRISTMAS IN GUILSBOROUGH

### CAROL SINGING

We hope to sing around Guilsborough on Tuesday 21st Dec meeting on the Green at 6.30pm, in aid of the Northampton Centre for the Homeless. All welcome.

More details to follow on The Hub or contact Katie 07747604067.

A LIGHT FOR A  
LOVED ONE  
AT CHRISTMAS

Guilsborough church invites villagers to remember a loved one from whom they are parted this Christmas, by sponsoring a simple white light on the trees by the churchyard gate. Each light will shine out through the Christmas season as a symbol of comfort to all. As well as the light outside the church there will be the opportunity to have a message written on a star to be hung on a tree inside the church. The lights will be switched on at a short outdoor ceremony on Sunday 5th December at 4.30pm to which all are welcome. Details and forms are available from Guilsborough Shop, the church porch, Monday Morning Meet or contact Janet Minney on 01604 740640.

## GROUND MAINTENANCE

Now that another cricket season has finished, the cricket square needs its end-of-season treatment, as part of work programme so that it is fit for use next season. Alex Thompson of Thompson Ground Care of Guilsborough completes the work, involving end-of-season, winter and pre-season treatments. Post-season work can include deep scarification or verti-cutting, top dressing with county loam, a pre-seed fertiliser, an over-seed and aeration. Winter treatments include aeration and further fertilisation, and pre-season works include scarification/ verti-cutting, an iron treatment to take care of any moss accumulated over the winter, first cut and first fertilise. The GPFA finances this work.

A new football pitch for the Under 12s has been marked-out so that the adjacent one created from the old bowls green can recover from last season; R&G Grounds Maintenance of Creton are to reseed some bare patches by drilling in seed. It is also planned to apply for grants to improve the football pitches at the sports field over 6 years, through applying to the Football Foundation, which allocates grants from the Football Association (FA).

## NEW TREASURER

The GPFA is delighted to have a new Treasurer, Milly Plant of Nortofo, who has opened new bank accounts for the GPFA. The retiring Treasurer, Mike Alcock of Church Mount, has been thanked for his contribution over many years.

## NORTHAMPTONSHIRE SPORT

Northamptonshire Sport are part of Northamptonshire County Council, and will again be using the GPFA pavilion and sports field on six occasions during weekdays in 2022 for school sports events such as Kwik Cricket.

## FOOTBALL

West Haddon u15s football team are currently playing their home games at Guilsborough Playing Fields on Sunday afternoons. The club have pitch congestion on Sunday afternoons at their West Haddon ground and GPFA has proven a successful and welcoming overspill. The u15 squad consists of 16 boys drawn from West Haddon, Guilsborough, Crick and the surrounding villages. They have had a great start to the season and are currently 2nd in the B league with a game in hand. The relationship with West Haddon Junior Football club continues to go from strength to strength and plans are in place for future seasons for two teams to play there each season and a plan to improve the pitch using FA funds.

## CRICKET

Haddon Cricket Club which plays at Guilsborough and the Haddons will be running winter training from January 2022, the club is always keen to recruit new players across both senior and junior sections, we welcome both competitive and social players. Please contact [junior.cricket@haddoncc.co.uk](mailto:junior.cricket@haddoncc.co.uk) or Jim Houghton on 07748920176 for more information.

## PRIMARY SCHOOL

It's been a super Autumn Term for us so far with lots of learning and also curriculum enrichment days. We've completed a Maths day, held our European Day of Languages, as well as welcomed Chris Skelley, Gold Medallist Paralympian,

who hosted a series of Judo workshops with us all.

We were delighted to welcome prospective parents as they came to have a good look around our wonderful Reception/ Year 1 environment. Our Head Boy and Head Girl took part in the visits, speaking confidently to parents about their school experience so far. Thank you Theo and Ella, you did a super job!

We held our first School Council and Eco Warrior meetings this term and already have some brilliant ideas to make our school even better. We're all very excited to see what takes place over the next academic year!

Looking ahead, we have lots to look forward to. We have a visit from Fizz Pop Science planned, various PTA events and, of course, our Christmas celebrations. I hope to be able to arrange more Phonics workshops for our reception parents and Year 3 will be very excited to know that their whole class Ukulele lessons will continue too. Year 6 will also have the chance to take part in their Bikeability Award during November.

And just in case you hadn't heard, we have been nominated for 'Primary School of the Year' in the Northamptonshire Education Awards 2021! We've recently found out that we're one of the finalist schools, which of course we're all beaming with pride about, after getting this far. I know you'll all keep your fingers crossed for us as we wait to hear the outcome. To find out about all of the exciting things we are doing at our school and for any important updates, please see our school website [www.guilsboroughprimary.co.uk](http://www.guilsboroughprimary.co.uk) and Twitter profile @guilsboroughpri

## HOLLOWELL AND TEETON PARISH COUNCIL

### “There’s Many a Slip –”

At the time of writing the weather is unseasonably mild, but, being ever the optimist, it seems appropriate to remind all residents that if the weather turns to frost & snow the few grit bins located around the Parish may come into play.

Some of these are maintained by Northants Highways and some are the responsibility of the Parish Council (all thanks to the budget dilemmas of the former County Council!). Each bin is labelled to indicate which organisation is responsible for maintaining it.

Either way, if you have a need to use the bins and note the stock of grit is low please advise the Clerk ASAP giving details of bin location.

You are reminded that the grit is provided for use on public highways (roads and paths).

### ‘But, soft! What light through yonder window breaks?’

(With Apologies to WS)

All street lamps within the Parish are maintained by the Parish Council.

If you notice that a street light is no longer shining brightly please note the location and unique reference number (marked on each lamp post) and notify the Clerk who will inform the Parish contractor to initiate repair.

### Bob the Builder (with apologies to any builder named Robert)

If you are contemplating undertaking any building work that will require approval of the West Northamptonshire Council (Daventry Area) it is likely that the Parish Council will be notified by WNC and requested to submit comment. The Parish Council produced a Village Design Statement, which was adopted as a Supplementary Planning document by Daventry District Council in 2008, and this remains the definitive guidance for any building work within the Parish. It is available to view on the Parish Council web site:

<https://www.hollowellandteeton.org.uk/about-the-parish>

Please refer to the VDS in advance of submitting you application to WNC and consider approaching the Parish Council to discuss your intentions.

## MARATHON UNDERTAKING

Congratulations to Hollowell's London Marathon runner Becky Gane who battled round the 26.2 mile course, with forty thousand other runners at the beginning of October.

A life-long chronic migraine sufferer, Becks was raising money for the Migraine Trust which offers support for sufferers and carries out research into the condition. Unfortunately Becky started with a migraine on arriving in London the night before the race and had to medicate just to get through. She also battled a knee injury during the run, but says, “I loved every minute of it, and it’s amazing what you can achieve with determination, a worthy cause to fight for and amazing support. A big thank you to everyone who donated, gave me words of encouragement and supported me. It really meant a lot”.

Becky has raised an impressive £2,100 for research and support for migraine sufferers. There is still time to support her fund-raising effort at: <https://justgiving.com/Becks-78>

## ARE YOU ELIGIBLE FOR HELP WITH YOUR ELECTRICITY BILLS OR FUEL SUPPLIES?

The Miss Jane Letts (Hollowell) Charity is run independently by three parish councillors who are appointed as Trustees.

It was created in 1940 by a bequest from the estate of James William Boothe Letts. The bequest established an income to purchase coal or blankets for distribution amongst the “poor widows

In the mid 1990s, the terms of the Charity were altered so that it could also contribute towards household electricity bills.

To benefit, you must be a resident of Hollowell or Teeton.

Evidence that you are in receipt of a means-tested state benefit is helpful.

Please email the Jane Letts Trustees at

[janelettscharity@gmail.com](mailto:janelettscharity@gmail.com) or write to them, care of March Barn, Church Hill, Hollowell NN6 8RR. Just send the trustees your contact details and they will get in touch.

## BIRDING NOTES: THE MARSH TIT

While out walking early this morning I was delighted to hear the explosive 'pitchew' call which revealed the presence of a Marsh Tit. Scanning the nearby hedgerow, I could see that there were in fact two birds, both moving constantly, restlessly gleaning insects and other food among the branches and leaves.

The Marsh Tit, scientific name *Poecile palustris*, is a scarce local resident, thinly distributed in Northamptonshire, usually frequenting deciduous woodland, parkland and damp scrubby areas. They can also be seen in gardens, often frequenting garden feeders. In my experience they are generally more visible through the winter, probably because they have to forage further for food, also perhaps being more conspicuous when trees and hedgerows are not in leaf. This photo, taken in April this year, is of a Marsh Tit 'nectaring' on blackthorn blossom; they are known to be surprising and effective pollinators.

The almost identical Willow Tit is even scarcer locally, in fact after a period of decline now sadly occurs at just a couple of sites in the county and in dramatically reduced numbers. It would appear likely that it will become extinct as a breeder in the county before too long. Although you are much more likely to encounter a Marsh Tit, they too are declining in the county and also in other parts of their range. Both species are now on the 'Red List' of 67 vulnerable species which are under significant threat in the UK.

In terms of identification, the safest way to separate Willow and Marsh Tits is by their diagnostic calls. They exhibit plumage

differences, but these are marginal, the Willow Tit sometimes having a larger black bib and all white cheeks, also sometimes showing a silvery wing panel, but these differences are often impossible to see in the field.

A more likely confusion species is the much commoner Coal Tit, which will also be visiting gardens through the winter. Coal Tit is smaller, with a slimmer build and plumage differences including a white nape and a double white wing bar.

**If you are interested in building your expertise on bird songs and calls there are a number of apps and many free online resources, including Xeno-canto, now one of the largest databases of bird recordings and a great example of 'citizen science', with many of the recordings being uploaded by amateur birders and naturalists. See [xeno-canto.org](http://xeno-canto.org).**

If you see a Marsh Tit in Northamptonshire, I'd be interested to hear about it, so please feel free to contact me at [joncooknorthantsbirds@gmail.com](mailto:joncooknorthantsbirds@gmail.com) or see my website [joncookbirding.wordpress.com](http://joncookbirding.wordpress.com) for more about my work as county bird recorder.

## HALLOWEEN PARTY

Hollowell and Teeton Village Hall hosted their first ever Halloween Party on Friday 29th October and were overwhelmed by the incredible (and very spooky!!) turnout. Prizes were awarded for some fabulous costumes and our Halloween guests were treated to some very gruesome looking sweets and cupcakes! We had a fantastic night and would like to extend a huge thank you to everybody who supported us on the night. Our younger guests gave us lots of ideas for our next event... so definitely watch this space for what comes next! We were also really pleased to talk to parents about future bookings for the hall, it is a perfect venue for parties and local events. Our Bookings Clerk, Lee Gance can be contacted on 07720 778861.

## MESSAGE FROM REVEREND CAROLINE BURNETT, THE UPLANDS GROUP OF CHURCHES

## CHURCH NEWS

One December, quite a few years ago, I found myself particularly bothered by the Christmas music playing in Tesco. I think that at this quite stressful time of year what we need in shops is something soothing like whale song or womb noises or something, not tinkly, over-exuberant ditties that just remind us about all the things we've still got to get done. Don't get me wrong, I love Wizzard's 'I wish it could be Christmas every day', but not when I'm trying to shop for a normal family week plus Christmas all on a tight budget.

Unwisely, when I got home, I did a mini-rant on Facebook about it and one of my 'Friends' responded 'Oh, I love it when the vicars get upset about the commercialisation of Christmas.' It's always upsetting to be misunderstood (I hadn't mentioned commercialisation), but with this I was upset because I'd been saying something that I hoped would ease people's stress.

Vicars do have a bit of a reputation for being party poopers about the Christmas season which seems to begin at the start of December and then ends rather abruptly on the 25th. Mostly we clerics tend to give in to this and put the decorations up and sing Christmas carols with everyone else. But fifty-odd years ago my parish priest wouldn't allow a sprig of holly or a cheery carol anywhere near our church until late on Christmas Eve. Even then he was thought of as a spoilsport, but he was trying to cling on to the Church's season of Advent which is quite distinct from Christmas.

As I've got older and learned more about life I've come to realise how important the season of Advent is. There are various ways to describe it, but for me it's a season of longing. So not a time for feverish excitement, but a season when we breathe into the

things we long for most. And I'm talking here about the real stuff of life things – longing to see my parents again, longing for peace in the world, longing for kindness to reign in human hearts, longing for my children to find fulfilment in life. The hymns that have been written for Advent express this longing really well and for me are wonderful to sing.

If we've observed an Advent of longing, when Christmas comes we celebrate big time, because our longings are met by a baby in a manger who will grow into a man who shows us how to be human in the way that God created us to be. And traditionally the feasting would continue for twelve days into January with some decorations staying up until the beginning of February.

Maybe we vicars aren't party poopers, and because we've spent four weeks meditating on the things that the human heart truly needs and longs for, we have a whole lot to celebrate when Christmas comes.

So to make Christmas go with a more profound bang than usual, we could do worse than make a little bit of time for longing through December; giving our hearts voice to speak to us about the things that matter deeply to us and to the world. Then our wonder and joy at God coming from heaven to earth will lift our souls and allow us to celebrate in a way that nothing that comes in gift wrapping ever can.

Happy Christmas.

### THANK YOU...

Guilsborough PCC would like to thank all those – individuals and village groups – who supported our daffodil project. On a sunny Sunday afternoon in October we planted 300 white and scented daffodil bulbs of two varieties in the churchyard and the cemetery. Thanks to your generosity we have enough in the kitty to plant more next year and the project also raised some funds for the work of the church. Please come and look at the new daffodils in the Spring!

### ADVENT WINDOWS

Sharing a little light and joy and the message of Christmas this December! You can play your part by taking part in a community wide living Advent Calendar. Advent Window Trails are taking place in **Cold Ashby, Creaton, Guilsborough, Hollowell, Thornby and Spratton.**

How it works...(Timings shown are for Guilsborough, other villages may vary).

- \* 24 volunteers agreed to decorate a street-facing window (an 'advent window') on a nativity theme, each is assigned a date.
- \* A new window 'opens' (appears and is lit) every day from 1st to 24th December.
- \* Each window then remains 'open' from its opening day from at least 4pm until 26<sup>th</sup> December.
- \* A trail leaflet is created for each village and we have an advent window trail that anyone can walk around and enjoy. Some may choose to do it as December progresses, and others may prefer to wait until they're all open and follow the completed trail all in one go.

### Local drama group looking for backstage helpers

In spring 2022 GMADS will perform *Around The World In 80 Days*. We have already cast all 80 parts, welcomed several new faces and begun rehearsals.

Passengers on the Dover boat train in rehearsal

After Christmas we will need support for backstage, costume, props, sound, lighting, scenery, publicity - no experience necessary just a willingness to have a go. As it's a musical we would also like to hear from musicians who would like to perform with us, even if you can only commit to a small part. Roger Brandon-Jones, our multi-talented stage director, has specially written it as a unique production for what will be GMADS 50th year. We rehearse on Tuesday and Thursday evenings at Guilsborough Village Hall. Save the dates: **Performances will be 31 March, 1, 2 April.** Call our chair Dorothy Whittaker on 01788 510392 or come along to a rehearsal to see what we do.
